

KEY PERSONAL AND PROFESSIONAL WORKPLACE STRATEGY TOPICS

"Excellence is what happens when eloquence and passion work together with courage to execute the impossible." Dr. Marilyn Ann McGraw, Ph.D.

The following key areas are at the heart of everything Excellence At Work does. How many of the following topics do you have covered?

1. Do you know how to identify and develop personal and professional capabilities required for success?
2. Are you and your leaders as productive as you could be?
3. Do you have market driven leadership strategies that respond to customers, competitors, and the external environment?
4. Will your personal and professional leadership strategies keep you competitive in the future?
5. Do you know what resources are required to support your leadership strategies?
6. Are your leaders as energized and excited about upcoming opportunities as they could be?
7. Do your leaders understand their workplace strengths and weaknesses?
8. Do your leaders have the skills and knowledge to meet their performance needs?
9. Are your leaders doing everything possible to decrease negative outcomes while increasing positive ones?
10. Are you free of the desire to *Run Away for Three Weeks*?

If you are unsure about any of these topics, now is the time to contact Excellence At Work. Whether you need assistance at a personal or professional level, are a nonprofit or for profit, Dr. Marilyn can help you create strategies for success.
