

Coaching for Excellence

What would your life be like if you sought personal excellence and limitless enthusiasm each day? What if you consistently sincerely desired to work smart, align objectives and make a positive impact in your various workplaces? Would it make a difference and increase your personal/professional bottom line(s)?

Yes, I've seen it happen first hand.

Dr. Marilyn Ann McGraw is dedicated to eliciting greatness in her clients. She does this by ensuring a safe and caring environment where individuals can develop and leverage a personal vision that not only drives towards improving their household, organization, place of worship, and/or community workplaces but also facilitates movement towards an extraordinary quality of life. Specifically, she offers clients a reliable, high-quality resource for personal and professional development on a local and global scale.

Sessions with Dr. Marilyn focus on breaking through limitations, cultivating talents and skills and creating strategies that achieve desired outcomes. Some of the ways Dr. Marilyn uses her expertise to help clients include:

Household:

- Organize home living spaces
- Systematize household monthly finances
- Implement efficient daily schedules and itineraries

Organization:

- Improve business communications and relationships
- Incorporate change management initiatives
- Develop management and organizational skills

Place of Worship:

- Identify spiritual gifts
- Take more effective and focused faith actions
- Become more balanced and fulfilled spiritually

Community:

- Create momentum and consistency among volunteers
- Navigate nonprofit resources
- Build reliable resource networks

Excellence At Work

**Coach | Speaker | Facilitator | Author
Management Consultant**

Ask yourself:

- Can you design and manage the goals necessary to achieve your professional and personal objectives?
- Are you implementing and managing your daily value-add propositions?
- Do you know how your personal strategy and professional goals fit together?
